Case No. 2:19-cr-062-APG-DJA

**Unopposed Motion to Order
Probation to Prepare a
Presentence Investigation
Report¹**

ORDER

19 Mr. Senegal has entered into a plea agreement with the government. The
20 parties requested that this Court set the change of plea and sentencing on the
21 same day. A hearing has been scheduled for July 7, 2020.²

22 Probation is aware that Mr. Senegal intends to request a credit for time
23 served. Probation has no objection to Mr. Senegal's request to complete the

24
25 ¹ I originally filed this request with the parties' stipulation to set a joint plea and
sentencing hearing. ECF No. 67. As noted by the Clerk's Office in ECF No. 68, this filing was
26 incorrect as it should have been made in a separate document and filing.

² ECF No. 69.

1 presentence investigation report in advance of the change of plea hearing.
2 Probation requests that it have 75 days from the date of Mr. Senegal's interview
3 to complete the report.³ Probation however requires an order from this Court
4 directing it to prepare the report. Accordingly, if this Court is inclined to conduct
5 the two hearings on the same day, the parties request an order that the
6 presentence investigation report be prepared.

7 The government does not oppose this request. The government, however,
8 has retained the right to oppose Mr. Senegal's request for a credit for time served
9 sentence (or any requested downward variance) and will recommend a sentence
10 that is within the advisory guideline range.

11 The defendant also does not oppose this request. He has requested to have
12 a joint plea and sentencing hearing so that he can take full advantage of the plea
13 agreement which permits him to seek a credit for time served sentence. He
14 further agrees to have both hearings proceed via videoconference whether held
15 individually or jointly.⁴

24 ³ Mr. Senegal had his presentence investigation interview with probation on April
25 21, 2020. Mr. Senegal has also waived the time limits under Federal Rule of Criminal
26 Procedure 32 so that the preparation of his PSR may be expedited. This waiver is being
filed contemporaneously with the instant motion.

⁴ Defense counsel has provided this Court's deputy court clerk with a written and
signed waiver.
